---

Hi Shaun

Thank you for the email. Yes definitely - I consent to those changes to include 'designated development' and 'exhibition' fields in the DA application. My apologies - I must have missed those.

Please let me know if you require anything else from my end.

Regards
Diana.

Hi Shaun

Thank you for the clarification - my apologies, I misunderstood your email from the 23rd! Not a problem though, I have now submitted the application through the NSW Planning Portal.

The application number is: PAN-188611 (screen shot below).

Please let me know if there is anything further you need from me. I look forward to hearing from you.

Kind regards

Diana.

> Apologies, I had kept an eye out for the submission of the DA on the NSW Planning Portal, I did not realise the DA had been uploaded to the Major Projects portal. The Major Projects portal which the DA has been uploaded to is for the processing of State significant development (SSD) and State significant infrastructure (SSI) projects only. We initially used the system for this project originally to process and issue the SEARs in the interim until the standard NSW Planning Portal was established.
>
> As per my email from the 22nd December, the DA is to be processed through the NSW Planning Portal used by Council's and the Department for Non-SSD/SSI development applications -

https://www.planningportal.nsw.gov.au/

Could you please submit the DA as soon as possible?

Apologies for the confusion with this matter and please reach out if you have issues with submitting the DA on the separate system.

Regards,

Shaun Williams

Subject: Fwd: Glebe Island Silos Cement Throughput Increase- Application Received

Hi Shaun

Happy New Year to you. I hope you had a relaxing and safe festive period and time off.

I am just following up on the application and fee for the Glebe Island Silos cement throughput increase. I was wondering if you have had a chance to review and mainly if we could have an indication for the fee, so that we are able to pay and finalise submission of the application.

If you have any questions or require anything further from me please do not hesitate to contact me.

Kind Regards

Diana.
