Subject:	Opposition to proposal of 45 McLaren St (application No: 2020SNH005-North Sydney -PP_2020_North_004-00)

Hi Officer,

I am the residents in Vintage 229 Miller Street North Sydney. I am writing to opposite to planning proposal of 45 McLaren St (application No: 2020SNH005-North Sydney - PP_2020_North_004-00).

Firstly, the proposal of increasing building height from a low rise to a significant high rise building will completely block current water view of my current apartment (level 7) which we paid a lot for it.

Secondly, it's been a crowded area already and as a family with children, we hope North Sydney could develop more space for family to live rather than oversupply of residential apartments in the area.

Please take existing residents' opinions into consideration.

Thanks
Ruby
