Dear Planning Panel Secretariat,

I'm the owner of the Miller apartment at 221 Miller St, North Sydney. I'm here to lodge my objection to Planning Proposal 3/19 - 173-179 Walker Street & 11-17 Hampden Street, North Sydney. As it does not meet North Sydney LEP requirement. The new plan would overload local traffic condition, block other buildings view and sunlight. Also, the lack of sunlight would negatively impact residents' mental health, especially when many people are working from home during the post-covid period.

Thanks,
Weiqing Cao
