Subject: Re: Planning Proposal RFI from Council - Wee Jasper

Hi Rachel,

The Heritage Inventory Sheet was completed by the Swinging Bridge Heritage Protection group as a collaborative effort with no one author, however I am happy to have my name used if one is needed.

The Yass Council Heritage Advisor Pip Giovanelli following his on site assessment advised that given the quality of the information we had already provided we were well placed to complete the survey criteria ourselves and this would suffice.

I understand that Pip Giovanelli is also responsible for an extracted comment which was used in the YVC Meeting Agenda last year stating that the shacks were worthy of listing for local significance. (I can find that quote if needed)

I also sought guidance from someone I consider to be a Subject Matter Expert Georgia Holloway who works for National Trust NSW and authored a Masters thesis "Maintaining Heritage" which is referenced in the Inventory Sheet.

Let me know if you need anything further.

Kind regards

Lisa Robinson
