The diagram illustrates a cross-section of a road profile. The top section is labeled 'SPORT FIELD' and shows a 0.5% slope. Below this, the profile is divided into sections with different slopes: a 3% slope on the left and a 0.5% slope on the right. The profile is shown in a cross-section view, with the road surface and subgrade indicated. The 'DATUM 45' label is positioned at the bottom left of the diagram.
