Note:

*This plan has been prepared from a combination of field survey and existing records, for the purpose of updating the drawing records of the land and should not be used for any other purpose. The title boundaries shown hereon have been determined by plan dimensions only and have not been verified by field measurement.
* Only those windows visible and unobscured from within the subject property on the date of survey have been located.
*Tree information and footprint location is approximate and if critical may require further assessment.
*Location of existing structures and features shown on this plan are approximate only.
*These notes and interests noted in the Certificate of Title form an integral part of this plan and any other plan that relies on the information shown herein.
*Services shown hereon have been located by field survey only where visible. No investigation of underground services has been undertaken in the preparation of this survey. Prior to any demolition, excavation or construction on the site, the relevant authority should be contacted for possible location of further underground services and detailed location of all services.
*Any point or feature critical to the preparation of plans or construction should be accurately located prior to completion of those plans or commencement of construction
*Contours have been interpolated from spot heights taken and are an approximation only.
*This drawing and the information it contains is copyright and remains the property of Sydney Registered Surveyors. It must not be copied, used or altered without the express authority of Sydney Registered Surveyors.
