Sydney Region - Landuse Section  
PO Box 973  
PARRAMATTA NSW 2124

Dear Sir/Madam

**Development Application No. DA20/0278**

**Proposal:** Additional use of Sandy Point Quarry to receive, stockpile and blend up to 100,000 TPA of recycled products, VENM sands or virgin quarried products with extracted products from quarry

**Property:** 14309 Heathcote Road, Menai

This letter is to advise that Council has received the above development application.

The proposed development is considered traffic generating development in accordance with Schedule 3 of State Environmental Planning Policy (Infrastructure) 2007 as it relates to an extractive industry on a site that is accessed from a classified road (Heathcote Road) and is more than 5,000m<sup>2</sup> in area. Accordingly, the proposal is being forwarded to you for your comment in accordance with cl.104 of State Environmental Planning Policy (Infrastructure) 2007.

In addition to the above, please find attached comments from Council's Traffic Engineer for your information.

The application was received by Council on 1 May 2020 and was on public exhibition from 11 May 2020 to 2 June 2020.

A copy of the application form and supporting documentation is available on the Planning Portal. The complete application documentation and information can also be accessed from Council's website at [www.sutherlandshire.nsw.gov.au](http://www.sutherlandshire.nsw.gov.au), go to Track / Development Applications or, if you require further information, please contact Council's Environmental Assessment Officer Slavco Bujaroski on 9710 0167 or email [sbujaroski@ssc.nsw.gov.au](mailto:sbujaroski@ssc.nsw.gov.au) and quote the application number in the subject.

Yours faithfully

Slavco Bujaroski
