PLANNING CERTIFICATE

Issued under Section 10.7 (2) and (5) Environmental Planning & Assessment Act 1979

This planning certificate should be read in conjunction with the relevant Local Environmental Plan listed under Names of Relevant Planning Instruments and DCPs. This is available on the NSW legislation website at www.legislation.nsw.gov.au

The land to which this certificate relates, being the lot or one of the lots described in the corresponding application, is shown in Council's records as being situated at the street address described on page 1 of this certificate.

It is the applicant's responsibility to confirm that the legal description of the lot to which the application relates is accurate and current. Council does not check the accuracy or currency of the information; nor does Council have the copyright to this information.

The legal description of land is obtained from NSW Land and Property Information. Applicants must verify all property and lot information with NSW Land and Property Information.

The information contained in this certificate relates only to the lot described on page 1 of this certificate.

Where the street address comprises more than one lot in one or more deposited plans or strata plans, separate planning certificates can be obtained upon application for the other lots. Those certificates may contain different information than is contained in this certificate.

At the date of this certificate, the subject land may be affected by the following matters.

Item 1: Names of relevant environmental planning instruments and development control plans.

- (1) The name of each environmental planning instrument that applies to the carrying out of development on the land.

Complying development under the Fire Safety Code may be carried out on the land.

Disclaimer: The information above addresses matters raised in Clause 1.17A (1) (b) to (e), (2), (3), and (4), 1.18(1)(c3) and 1.19 of State Environmental Planning Policy (Exempt and Complying Development Codes) 2008. It is your responsibility to ensure that you comply with any other general requirements of the State Environmental Planning Policy (Exempt and Complying Development Codes) 2008. Failure to comply with these provisions may mean that a Complying Development Certificate issued under the provisions of the State Environment Planning Policy (Exempt and Complying Development Codes) 2008 is invalid.

NOTE: Council does not have sufficient information to ascertain the extent of a land based exclusion on a property. Despite any statement preventing the carrying out of complying development in the Codes listed above, complying development may still be carried out providing the development is not on the land affected by the exclusion and meets the requirements and standards of State Environmental Planning Policy (Exempt and Complying Development Codes) 2008.

Item 4: Coastal protection – Repealed (03/04/2018)

Item 4A: Certain information relating to beaches and coasts repealed (03/04/2018)

probable maximum flood has the same meaning as in the Floodplain Development Manual.

Item 8: Land reserved for acquisition

Whether or not any environmental planning instrument or proposed environmental planning instrument referred to in clause 1 makes provision in relation to the acquisition of the land by a public authority, as referred to in section 3.15 of the Act.

No environmental planning instrument or proposed environmental planning instrument referred to in clause 1, makes provision in relation to the acquisition of the land by a public authority, as referred to in Section 3.5 of the Act.

Item 9: Contributions plans

The name of each contributions plan applying to the land.

Strathfield Indirect Development Contributions Plan 2010 (Amended 3 September 2010).
Strathfield Direct Development Contributions Plan 2010 (Amended 21 May 2019).

Item 9A: Biodiversity certified land

Whether or not the subject land is biodiversity certified land?

Council has not been notified by the Chief Executive of the Office of Environment and Heritage, that the subject land is biodiversity certified land under Part 8 of the Biodiversity Conservation Act 2016. The accuracy of this statement may be reliant in part upon information supplied by a third party public authority. The accuracy of this information has not been verified by Council and if the information is vital for the proposed end use of the land, it should be verified by the applicant.

Note: Biodiversity certified land includes land certified under Part 7AA of the Threatened Species Conservation Act 1995 that is taken to be certified under Part 8 of the Biodiversity Conservation Act 2016.

Item 10: Bio-banking stewardship sites

Whether or not the land is a biodiversity stewardship site under a biodiversity stewardship agreement under Part 5 of the Biodiversity Conservation Act 2016, a statement to that effect (but only if the council has been notified of the existence of the agreement by the Chief Executive of the Office of Environment and Heritage).

Council has not been notified by the Chief Executive of the Office of Environment and Heritage, that the land is a biodiversity stewardship site under a biodiversity stewardship agreement under Part 5 of the Biodiversity Conservation Act 2016. The accuracy of this statement may be reliant in part upon information supplied by a third party public authority. The accuracy of this information has not been verified by Council and if the information is vital for the proposed end use of the land, it should be verified by the applicant.

Note: Biodiversity stewardship agreements include bio-banking agreements under Part 7A of the Threatened Species Conservation Act 1995 that are taken to be biodiversity stewardship agreements under Part 5 of the Biodiversity Conservation Act 2016.

Item 10A: Native vegetation clearing set asides

If the land contains a set aside area under section 60ZC of the Local Land Services Act 2013, a statement to that effect (but only if the council has been notified of the existence of the set aside area by Local Land Services or it is registered in the public register under that section).

Council has not been notified by the Local Land Services that the land contains a set aside area nor is the land registered in the public register under section 60ZC of the Local Land Services Act 2013. The accuracy of this statement may be reliant in part upon information supplied by a third party public authority. The accuracy of this information has not been verified by Council and if the information is vital for the proposed end use of the land, it should be verified by the applicant.

Item 11: Bush fire prone land

If any of the land is bush fire prone land (as defined in the Act), a statement that all or, as the case may be, some of the land is bush fire prone land. If none of the land is bush fire prone land, a statement to that effect.

The land is not shown to be within bush fire prone land as defined in the Act.

Item 12: Property vegetation plans

If the land is land to which a property vegetation plan under the Native Vegetation Act 2003 applies, a statement to that effect (but only if the Council has been notified of the existence of the plan by the person or body that approved the plan under that Act).

The provisions of the Native Vegetation Act 2003, do not apply to Strathfield Council Local Government Area.

Item 13: Orders under Trees (Disputes between neighbours) Act 2006

Whether an order has been made under the Trees (Disputes Between Neighbours) Act 2006 to carry out work in relation to a tree on the land (but only if the Council has been notified of the order).

The Council has not been notified of an order under the Act in respect of tree(s) on the land. The accuracy of this statement may be reliant in part upon information supplied by a third party public authority.

Item 14: Directions under Part 3A

If there is direction by the Minister in force under section 75P (2) (c1) of the Act that a provision of an environmental planning instrument prohibiting or restricting the carrying out of a project or a stage of a project on the land under Part 4 of the Act that does not have effect, a statement to that effect identifying the provision that does not have effect.

There is no direction by the Minister in force under section 75P (2) (c1) of the Environmental Planning and Assessment Act 1979 as amended.

The accuracy of this statement may be reliant in part upon information supplied by a third party public authority. The accuracy of this information has not been verified by council and if the information is vital for the proposed end use of the land, it should be verified by the applicant.

Item 15: Conditions for seniors housing

If *State Environmental Planning Policy (Housing) 2021*, Chapter 3, Part 5 applies to the land, a statement setting out terms of a kind in reference to in the Policy, clause 88(2) that have been imposed as a condition of development consent granted after 11 October 2007 in relation to the land.

No terms of a kind referred to in Clause 88(2) of the State Environment Planning Policy (Housing) 2021, have been imposed as a condition of consent to a Development Application granted after 11 October 2007 in respect of the land.

Item 16: Site compatibility certificates for infrastructure

A statement of whether there is a valid site compatibility certificate (infrastructure) or site compatibility certificate (schools or TAFE establishments), of which the council is aware, in respect of proposed development on the land and, if there is a certificate is to include:

Council is not aware of the issue of any valid Site Compatibility Certificate (Infrastructure) or (Schools or TAFE Establishments), in respect of proposed development on the land.

The accuracy of this statement may be reliant in part upon information supplied by a third party public authority. The accuracy of this information has not been verified by Council and if the

information is vital for the proposed end use of the land, it should be verified by the applicant.

Item 17: Site compatibility certificates and conditions for affordable rental housing

(1) A Statement of whether there is a current site compatibility certificate (affordable rental housing), of which the council is aware, in respect of proposed development on the land and, if there is a certificate, the statement is to include:

- (a) The period for which the certificate is current, and
- (b) That a copy may be obtained from the head office of the Department of Planning.

Council is not aware of the issue of any current Site Compatibility Certificate (Affordable Rental Housing) in respect of proposed development on the land.

(2) If *State Environmental Planning Policy (Housing) 2021*, Chapter 2, Part 2, Division 1 or 5 applies to the land, a statement setting out terms of a kind referred to in the Policy, clause 21(1) or 40(1) that have been imposed as a condition of consent in relation of the land.

No terms of a kind referred to in Clause 21(1) or 40(1) of *State Environmental Planning Policy (Housing) 2021*, have been imposed as a condition of consent to a Development Application in respect of the land.

The accuracy of this statement may be reliant in part upon information supplied by a third-party public authority. The accuracy of this information has not been verified by Council and if the information is vital for the proposed end use of the land, it should be verified by the applicant.

Item 18: Paper subdivision information

(1) The name of any development plan adopted by a relevant authority that applies to the land or that is proposed to be subject to a consent ballot.

There is no development plan adopted by a relevant authority that applies to the land or that is proposed to be subject to a consent ballot.

(2) The date of any subdivision order that applies to the land.

There is no subdivision order applying to the land.

Words and expressions used in this clause have the same meaning as they have in Part 16C of this Regulation.

Item 19: Site verification certificates

A statement of whether there is a current site verification certificate, of which the Council is aware, in respect of the land and, if there is a certificate, the statement is to include:

(a) the matter certified by the certificate, and

Note: A site verification certificate sets out the Director-General's opinion as to whether the land concerned is or is not biophysical strategic agricultural land or critical industry cluster

land—see Division 3 of Part 4AA of State Environmental Planning Policy (Mining, Petroleum Production and Extractive Industries) 2007.

- (b) the date on which the certificate ceases to be current (if any), and
- (c) that a copy may be obtained from the head office of the Department of Planning and Infrastructure.

Council is not aware of a current site verification certificate (Mining, Petroleum Production and Extractive Industries) 2007 (Mining SEPP) being issued in respect of the proposed development on the land.

Item 20: Loose-fill asbestos insulation

Does the land include any residential premises listed on the Loose-Fill Asbestos Insulation Register maintained under Division 1A of Part 8 of the Home Building Act 1989?

The land to which this certificate relates has not been identified in the Loose-Fill Asbestos Insulation Register as containing loose-fill asbestos ceiling insulation. Contact NSW Fair Trading for more information.

Disclaimer: This statement is based on information supplied by a third party public authority. The accuracy of this information has not been verified by Strathfield Municipal Council and if the information is vital for the proposed end use, then it should be verified by the applicant.
