Live Music Strategy (2019) and Newcastle After Dark: Night-time Economy Strategy (2018-2022).

City of Newcastle's Live Music Strategy and Newcastle After Dark: Night Time Economy Strategy supports live music and the night-time economy which play a key role in accommodation, events, cultural and business uses in the City Centre and Town Centres. Future residents should be aware that these uses may generate noise, odour, traffic and have longer hours of operation, including after 5pm, which is part of living in/near a commercial centre. The Strategies promote the sharing of the City, including the mitigation of impacts of new residential development, live music or the night time economy on other land uses.

For more information see Live Music Strategy (2019) and Newcastle After Dark: Night-Time Economy Strategy (2018-2022) on Council's website <https://www.newcastle.nsw.gov.au> or phone 4974 2000.
