Hello Neighbour

I am writing to you from the NSW Land and Housing Corporation about redeveloping the social housing property at 13 Latty Street, Fairfield.

What we are proposing

We are proposing to replace the existing aged property with a new two-storey manor house that better suits the needs of future residents. This will include:

- 4 homes in total — 4 x two-bedroom units
- 2 on-site car parking spaces
- landscaping and fencing across the site.

Why we are redeveloping the site

Redeveloping the site is important to:

- create more social housing properties to help reduce the waitlist, which includes more than 50,000 households from NSW
- help people and families in need by providing them with a safe place to call home
- improve the appearance of the ageing housing to better match the character of the local area.

What we'd like to hear from you

We would like your feedback on the proposed design for the new housing.

To help, we have attached a set of plans for you to consider which can also be emailed to you by contacting the Community Engagement Team. In these plans, you will find:

- an artist's impression of the proposed property to give you an idea of what it will look like
- site and landscape plan
- building elevations
- shadow diagrams
- proposed materials and colour finishes.
