**Planning Proposal: Amendment of Sydney Local Environmental Plan 2012 – Open and Creative Planning Reforms**

This planning proposal seeks a number of changes to the Sydney Local Environmental Plan 2012 (Sydney LEP 2012), and other relevant LEPs which aim to strengthen the city's cultural and night life and create a more diverse evening economy.

The planning proposal seeks to amend the following instruments: • Sydney Local Environmental Plan (LEP) 2012 • Sydney LEP 2005 • Sydney LEP (Green Square Town Centre) 2013 • Sydney LEP (Green Square Town Centre Stage 2) 2013 • Sydney LEP (Glebe Affordable Housing Project) 2011 • Sydney LEP (Harold Park) 2011 • South Sydney LEP 1998 • South Sydney LEP No. 114 (Southern Industrial and Rosebery/Zetland Planning Districts).

## **HERITAGE**

**State Heritage Register (Amendment To Heritage Act, 1977 Gazetted 2/4/99)**

This property may be identified as being of state heritage significance, and entered on the State Heritage Register.

To confirm whether the site is listed under the Heritage Act 1977 a Section 167 Certificate should be obtained from the NSW Heritage Office by contacting the NSW Heritage office on (02) 9873 8500 for an application form or by downloading the application form from [www.heritage.nsw.gov.au](http://www.heritage.nsw.gov.au)

## **STATE PLANNING INSTRUMENTS**

*Full copies of State Environmental Planning Policies are available online at [www.planning.nsw.gov.au](http://www.planning.nsw.gov.au).*

**State Environmental Planning Policy No. 19 – Bushland in Urban Areas**

This is a policy to protect and preserve bushland within certain urban areas, as part of the natural heritage or for recreational, educational and scientific purposes. This policy is designed to protect bushland in public open space zones and reservations, and to ensure that bush preservation is given a high priority when local environmental plans for urban development are prepared.

**State Environmental Planning Policy No. 65 – Design Quality of Residential Apartment Development**

This policy aims to improve the design quality of flats of three or more storeys with four or more self contained dwellings. The policy sets out a series of design principles for local councils to consider when assessing development proposals for residential flat development. The policy also creates a role for an independent design review panel and requires the involvement of a qualified designer in the design and approval process.

**State Environmental Planning Policy (Building Sustainability Index: BASIX) 2004**

Aims to ensure consistency in the implementation of the BASIX scheme throughout the State. This Policy achieves its aim by overriding provisions of other environmental planning instruments and development control plans that would otherwise add to, subtract from or modify any obligations arising under the BASIX scheme.

**State Environmental Planning Policy (Miscellaneous Consent Provisions) 2007**

This Policy aims to ensure that suitable provision is made for ensuring the safety of persons using temporary structures or places of public entertainment.

**State Environmental Planning Policy (Exempt and Complying Development Codes) 2008**

This Policy Streamlines assessment processes for development that complies with specified development standards. The policy provides exempt and complying development codes that have State-wide application, identifying, in the General Exempt Development Code, types of development that are of minimal environmental impact that may be carried out without the need for development consent; and, in the General Housing Code, types of complying development that may be carried out in accordance with a complying development certificate as defined in the Environmental Planning and Assessment Act 1979.

**State Environmental Planning Policy (Urban Renewal) 2010**

The aims of this Policy are as follows:

- (a) to establish the process for assessing and identifying sites as urban renewal precincts,
- (b) to facilitate the orderly and economic development and redevelopment of sites in and around urban renewal precincts,
- (c) to facilitate delivery of the objectives of any applicable government State, regional or metropolitan strategies connected with the renewal of urban areas that are accessible by public transport.

**State Environmental Planning Policy (Housing) 2021**

The principles of this Policy are as follows—

- (a) enabling the development of diverse housing types, including purpose-built rental housing,
- (b) encouraging the development of housing that will meet the needs of more vulnerable members of the community, including very low to moderate income households, seniors and people with a disability,
- (c) ensuring new housing development provides residents with a reasonable level of amenity,
- (d) promoting the planning and delivery of housing in locations where it will make good use of existing and planned infrastructure and services,
- (e) minimising adverse climate and environmental impacts of new housing development,
- (f) reinforcing the importance of designing housing in a way that reflects and enhances its locality,
- (g) supporting short-term rental accommodation as a home-sharing activity and contributor to local economies, while managing the social and environmental impacts from this use,
- (h) mitigating the loss of existing affordable rental housing.

**State Environmental Planning Policy (Planning Systems) 2021**

- identifies State or regionally significant development, State significant Infrastructure, and critical State significant infrastructure.
- provides for consideration of development delivery plans by local Aboriginal land councils in planning assessment.
- allows the Planning Secretary to elect to be the concurrence authority for certain development that requires concurrence under nominated State environmental planning policies.

**State Environmental Planning Policy (Biodiversity and Conservation) 2021**

This SEPP contains:

- planning rules and controls for the clearing of native vegetation in NSW on land zoned for urban and environmental purposes that is not linked to a development application.
- the land use planning and assessment framework for koala habitat.
- provisions which establish a consistent and co-ordinated approach to environmental planning and assessment along the River Murray.
- provisions seeking to protect and preserve bushland within public open space zones and reservations.
- provisions which aim to prohibit canal estate development.
- provisions to support the water quality objectives for the Sydney drinking water catchment.
- provisions to protect the environment of the Hawkesbury-Nepean River system.
- provisions to manage and improve environmental outcomes for Sydney Harbour and its tributaries.
- provisions to manage and promote integrated catchment management policies along the Georges River and its tributaries.
- provisions which seek to protect, conserve and manage the World Heritage listed Willandra Lakes property.

**State Environmental Planning Policy (Resilience and Hazards) 2021**

This SEPP contains planning provisions:

- for land use planning within the coastal zone, in a manner consistent with the objects of the Coastal Management Act 2016.
- to manage hazardous and offensive development.
- which provides a state-wide planning framework for the remediation of contaminated land and to minimise the risk of harm.

**State Environmental Planning Policy (Transport and Infrastructure) 2021**

This SEPP contains planning provisions:

- for infrastructure in NSW, such as hospitals, roads, railways, emergency services, water supply and electricity delivery.

- for child-care centres, schools, TAFEs and Universities.
- planning controls and reserves land for the protection of three corridors (North South Rail Line, South West Rail Link extension and Western Sydney Freight Line).
- the land use planning and assessment framework for appropriate development at Port Kembla, Port Botany and Port of Newcastle.

**State Environmental Planning Policy (Industry and Employment) 2021**

This SEPP contains planning provisions:

- applying to employment land in western Sydney.
- for advertising and signage in NSW.

**State Environmental Planning Policy (Resources and Energy) 2021**

This SEPP contains planning provisions:

- for the assessment and development of mining, petroleum production and extractive material resource proposals in NSW.
- which aim to facilitate the development of extractive resources in proximity to the population of the Sydney Metropolitan Area by identifying land which contains extractive material of regional significance.

**State Environmental Planning Policy (Precincts—Eastern Harbour City) 2021**

This SEPP contains planning provisions for precinct planning, which is a form of strategic planning applied to a specified geographic area. The precincts in this SEPP are located in the Eastern Harbour City. This city is based the strategic planning vision of the 'three cities' regions identified in the Greater Sydney Region Plan – A Metropolis of Three Cities.
