Attention: Adjoining Occupier

RE: Notification of Proposed Activity
The Children's Hospital at Westmead (CHW)
Interactive Piece of Playground Equipment for the Multistorey Car Park Sensory Playground

To whom it may concern,

Health Infrastructure is proposing to install a sensory playground adjacent to the Multi Storey Carpark at The Children's Hospital Westmead, located at the corner of Hawkesbury Road and Hainsworth Street, Westmead 2145 (Lot 101 DP 1119583).

One item of proposed play equipment (the "Inclusive Spinner") cannot constitute Exempt Development given its proposed height. However, we are required to assess its likely impacts in accordance with Part 5 of the *Environmental Planning and Assessment Act 1979*. In accordance with Section 2.62 of the *State Environmental Planning Policy (Transport and Infrastructure) 2021*, we are notifying adjoining occupiers of our intention to carry out the activity and ask that you provide any comments on the proposal within 21 days from the date of this letter. These comments will then be considered in our assessment of the proposed activity.

For your information, a proposed set out plan, equipment plan, and sensory items plan of the proposed sensory playground are appended. The Inclusive Spinner is marked as "2" on the equipment plan. A data sheet of the Inclusive Spinner is also appended.

If you wish to comment on the proposal, please provide your feedback to Hossein Bidgoli at hossein.bidgoli@health.nsw.gov.au or Health Infrastructure, Attention: Hossein Bidgoli, PO Box 1060, North Sydney, 2059.

Yours sincerely,

Hossein Bidgoli

Project Director
