Constraints

Information regarding loose-fill asbestos insulation

Some residential homes located in the State of NSW have been identified as containing loose-fill asbestos insulation, for example in the roof space. NSW Fair Trading maintains a Register of homes that are affected by loose-fill asbestos insulation.

You should make your own enquiries as to the age of the buildings on the land to which this certificate relates and, if it contains a building constructed prior to 1980, obtain advice from a licensed asbestos assessor to determine whether loose-fill asbestos is present in any building on the land and, if so the health risks (if any) this may pose for the building's occupants.

Contact NSW Fair Trading for further information.
