

Part 5 Activity Package Submission

Checklist for Development Proposals under the Housing SEPP
Portfolio Services (Planning), Land and Housing Corporation

Guide notes:

This form is to be used for all development proposals that are to be assessed under Part 5 of the Environmental Planning and Assessment Act 1979 as amended (EP&A Act) as 'development without consent' carried out by the Land and Housing Corporation under *State Environmental Planning Policy (Housing) 2021* (Housing SEPP).

All sections of this checklist must be completed including the submission requirement matrix. Where any matter does not apply it is to be noted as being not applicable 'N/A'.

The submission declarations at the end of the checklist must be signed by the consultant architect and by Land and Housing Corporation's nominated Development Manager. The completed checklist must be submitted to the Portfolio Services (Planning) by the nominated Development Manager together with the activity package plans / accompanying information. Activity packages will not be accepted unless all of the applicable submission requirements listed in the matrix and checklist have been provided, in one single consolidated package and signed-off by a Planner in Portfolio Services (Planning).
