Address: Brentwood Street Muswellbrook

Dear Melissa Foong

Thank you for your letter dated 28 November 2023 notifying Subsidence Advisory of the proposal to undertake internal alterations and additions to convert existing shell space for community health consultation services at Muswellbrook Hospital.

As the proposal is for internal alterations and no structural changes are proposed to the existing building, no mine subsidence design requirements are considered necessary.

If you have any questions or wish to discuss, please contact our office on 4908 4300.

Kind Regards

A handwritten signature in black ink, appearing to read "Shane McDonald".
