

# DESIGN CERTIFICATE REVIEW OF ENVIRONMENTAL FACTORS [REF]

**Project:** Ryde Hospital Redevelopment

**RFT No:** HI23123

We certify that the Design:

- (a) we have been provided with all available information in relation to hazards and risks that exist on, in or around the Site, including any workplaces;
- (b) we have provided the Principal with a written report identifying the hazards relating to the Design;
- (c) we have eliminated, or where it was not possible to eliminate, minimised any work health and safety risks arising out of the Design;
- (d) checked the Design for the Works to ensure there are no omissions, inconsistencies, or other faults in the Design (including any deficiencies in the coordination or integration of, between or in any of the Design); and
- (e) the Design:
  - (i) Satisfies the requirements set out in the Services Delivery Plan;
  - (ii) Meets the Principal's requirements for Services for the Project and is suitable in all respects for the purpose for which they are required;
  - (iii) Comply with all laws, Australian Standards, the Building Code of Australia and all Authorisations;
  - (iv) Is capable of being built by a competent contractor;
  - (v) Otherwise meet the requirements under this agreement.

Dated: 7<sup>th</sup> March 2024
