#### REF ESD STATEMENT

**SUBJECT PREMISES:**     **Broken Hill Acute Adult Mental Health Unit and Emergency  
Department Project, 176 Thomas Street Broken Hill NSW 2880**

**JOB NO.:** 240182

**REVISION NO.:** [B]

This ESD statement has been prepared by JHA Engineers for the Broken Hill Acute Adult Mental Health Unit and Emergency Department Project. JHA Engineers have been engaged by BARPA (Head Contractor) as the ESD consultant for the project.

This statement confirms there are no impacts from the changes to the Design Guidance Note (DGN) 58 Ecological Sustainable Design (ESD) assessment and points score. The changes are listed below:

- Revised Emergency Department roof. Roof remains as existing.
- Replace rammed earth with rendered blockwork.
- Landscaping changes to the pot sizing.

As there are no impacts from the above changes to the ESD assessment and point score, please refer to the Environmental Factors (REF) Report prepared by Steensen Varming and dated, 16 October 2023 for the scorecard.

Yours sincerely,

Garry Luu
