Waste Management Plan Form 5. Ongoing Management of Waste.

Describe how you intend to ensure ongoing management of waste on-site (e.g. lease conditions, caretaker/manager on-site).

Residents will collect and deposit their individual waste into the nearest common bins within the garbage bay.

The designated person will bring out the bins and line them at the kerb for easy access for waste contractors.

Waste contractors will load the garbage, recycle or green waste into the collection vehicles to take it away.

The designated person will bring the bins back into the waste storage areas after the waste collection.
