In accepting and utilizing this/these document/s the recipient agrees that Billard Leece Partnership Pty Ltd retain all common law, statutory law and other rights, including copyright and intellectual property rights. This intellectual property includes BIM components (ie: families), styles, setup & file structure etc. The recipient agrees not to use this/these document/s for any purpose other than its intended use, or to reuse the document/s on other projects without the prior written consent of Billard Leece Partnership Pty Ltd. Under no circumstances shall transfer of this document be deemed a sale. Billard Leece Partnership Pty Ltd makes no warranty of fitness for any purpose. The printed or controlled copy of the 3D/2D drawings issued by BLP comprises the approved deliverables. The BIM model is for information purposes only and should not be relied upon for any other purpose whatsoever including but not limited to the design, construction, maintenance or operation of any part of the project. The Billard/Contractor shall verify job dimensions prior to any work commencing. Figure dimensions shall also be verified on site. All dimensions, sections and architectural information is to be taken from the latest revision hard copy issued drawings or PDF documents. Electronically supplied data (Point, Keyword or Microstation files) is supplied by Billard Leece Partnership Pty Ltd for background information only. Billard Leece Partnership Pty Ltd takes no responsibility for the use of the electronic data. The 3D data produced is uncontrolled and not subject to update.
