

**Secretary's Certificate
Satisfactory Arrangement for State Public Infrastructure Provision**

In accordance with the provisions of Clause 6.1(2) Arrangements for designated State public infrastructure of the Forbes Local Environmental Plan 2013, I, Brett Whitworth, Acting Deputy Secretary Place and Infrastructure Greater Sydney, as delegate of the Secretary of the Department of Planning, Industry and Environment, certify that satisfactory arrangements are in place for the provision of state public infrastructure in respect of the land within the urban release area show in the attached map "Areas of Land of Secretary's Satisfactory Arrangement Certification – Forbes" containing one map sheet.

Certification is only being issued in respect of development which is permissible under currently applicable planning controls. Should there be a change to the planning controls applicable in the urban release areas, further advice must be obtained from the Department on whether satisfactory arrangement certification remains valid.
