Dear [REDACTED]

Thank you for your enquiry.

This development will be within the Westmead health precinct. The work is proposed for standard construction hours 7am- 6pm Monday to Friday and 8am – 1pm on Saturdays. Occasionally work may be required outside of these hours. Traffic modelling will be considered as part of planning approval for the project however given the scale of the project, traffic flows on Hawkesbury Road are unlikely to be affected.

Dear Sir/Madam,

I refer to your letter dropped in my letter box dated 21 August 2024 regarding the above proposed development.

My questions are as follows:

1. Will there be development works at night?; and
2. How will the development impact daily traffic on Hawkesbury Road during the development?  
Traffic on Hawkesbury Road can already be congested during peak hour.

From [REDACTED].
