Notes:
This plan was prepared for Paul and Shannon McAuliffe and Shannon Webb as a proposed development to accompany a development application to Narromine Shire Council and should not be used for any other purpose. The dimensions, areas and proposed features shown hereon are subject to field survey and also to the requirements of council and to any other authority which may have requirements under any relevant legislation. In particular, no reliance should be placed on the information on this plan for any financial dealings involving the land. This note is an integral part of this plan.
