Dear Sir/Madam

Dev Ref: DA 22/9507

Description: Installation of snowrunner, operator huts and associated works

Location: Lot 876 DP 1243112, 2 Friday Drive THREDBO 2625

The Department of Planning and Environment—Water has reviewed the additional and/or amended documents for the integrated Development Application (DA) proposed for the above location and considers that, for the purposes of the Water Management Act 2000 (WM Act), previously issued General Terms of Approval are adequate, remain current, and no further assessment by this agency is necessary.

Should the proposed development be varied in any way that results in development extending onto land that is waterfront land, or encompassing works that are defined as controlled activities, then the Department of Planning and Environment—Water should be notified.
