RE: Terminal Tower 3

Dear Andrew,

Doppelmayr can confirm replacement Tower 3 crosshead on Terminal is designed in accordance with AS 4722-2018 Passenger ropeways and passenger conveyors. The referenced structural drawings include:

2022-01-M-001.B Terminal Tower 3 Crosshead Assembly Weldment Fabrication details

The replacement of Terminal tower 3 crosshead assembly does not impact or change whatsoever the loading on the existing foundation. As such the structural calculations of the existing footing are valid from the initial installation.

For and on behalf of
Doppelmayr Australia Pty Ltd

Shaun Turner
