Dear Ms Bozzetto

**Proposed Glebe Island Silos Throughput Capacity Increase
(DA-188611) – Lot 12 Sommerville Road, Rozelle**

The exhibition period for the Glebe Island Silos Throughput Capacity Increase (DA-188611) concluded on 30 March 2022. Please find enclosed copies of all submissions received by the Department during the public exhibition of the above proposal. Alternatively, all submissions received are publicly available on the NSW Planning Portal via the following link: <https://pp.planningportal.nsw.gov.au/daex/under-consideration/glebe-island-silos-throughput-capacity-increase>.

The Department requests you provide a response to the issues raised in the submissions and the advice provided by NSW Government agencies. In particular, the Department draws your attention to the advice provided by the NSW Environment Protection Authority (EPA), requesting additional information be provided to assist in its issuing of any General Terms of Approval.

In addition, the Department will also be providing comments which will be forwarded to you separately.

If you have any questions, please contact Shaun Williams on (02) 8275 1345 or via email at shaun.williams@planning.nsw.gov.au.

Yours sincerely
