Operations Management Plan

**621 PUNCHBOWL ROAD
PUNCHBOWL**

THE SITE

621 PUNCHBOWL RD., PUNCHBOWL

DAYS & HOURS OF OPERATION

The proposed grocery shop will be operational 7 (seven) days a week for the service of the community. Trading hours: 7.30 am to 6.30 pm.

STAFF NUMBER and PARKING

It is only a small business, therefore it doesn't require more than one staff for its operation.

There are ample parking facilities in a close proximity of the premises, including the street parking on Punchbowl Rd. and Lilac St., both of which are right in-front of the shop.

GOODS HANDLING

It is a grocery shop. Grocery items will be delivered to the shop at regular intervals as required. All products will arrive through the services entry at the rear and will be unloaded, sorted and placed in storage as required. Grocery items will be collected from storage and stocked in grocery shelves as required.

LOADING and UNLOADING

The services van will reverse into the rear entry and unload the bags/boxes. They will get sorted and then transfer them into storage. Products will be manually carried from storage to grocery as required.

WASTE MANAGEMENT PLAN

All the waste from the shop will go into onsite waste collection bins. A private waste collection company will be carrying out waste collection activity through service entry at back yard.
