To whom it may concern,

I am the owner of Candlelight Lodge on Diggings Terrace, Thredbo. I support the proposed installation of temporary soil anchors between Black Bear and Candlelight lodge, at the boundary of Candlelight Lodge.

A fee of \$500 per anchor, or \$5,000 in total, whichever is greater, will be paid to cover the cost of removing the soil anchors if Candlelight Lodge is to be developed in the future.

Yours sincerely

John Leggett

Managing Director
