Dear Annie

We write in response to the request for information dated 7 November 2023. This letter relates to the proposed digital sign on Cleveland Street and the existing public artwork which exists on the safety screen of the Cleveland Street Bridge in Redfern. This rail bridge is on TAHE owned land and the artwork was commissioned by TfNSW in 2020.

We do not believe the proposed sign has any adverse impacts upon the artwork.

We understand that the applicant for the proposed digital sign (JCDecaux) has consulted with Balrinji (commissioning body of the artwork) well as Nadeena Dixon (artist) and they have no objection to the proposed sign.

Sincerely,

Greg Attewell Digitally signed
