# WASTE MANAGEMENT PLAN

## 21.06.2022

#### **Construction of Garage and Granny Flat**

#### COUNCIL: Canterbury Bankstown Council

To facilitate waste management & reduction Council requires on-site sorting and storage of waste products pending reuse or collection

The applicable sections of this table must be completed and submitted with DA. or application to demolish a building.

Completing this table will assist you in identifying the type of waste that will be generated and in advising Council how you intend to reuse, recycle or dispose of the waste.

The information provided on the form (and on your plans) will be assessed against the objectives of the Controls (DCP) and the performance criteria for your particular use (eg. To maximise reuse and minimise disposal)
