

CORNERSTONE DEVELOPMENT MANAGEMENT PTY LTD
DA 22/11444 - MIXED USE DEVELOPMENT

OBJECT TO THE PROPOSED DEVELOPMENT APPLICATION

THE BODY CORPORATE COMMITTEE HAVE CONCERNS ABOUT THE DEPTH OF EXCAVATION NEEDED FOR THE PROPOSED OVER 4 LEVELS OF BASEMENT PARKING AS STATED IN THE LETTER. THIS COULD HAVE AN EFFECT ON FOUNDATIONS AND STRUCTURE OF THE SURROUNDING BUILDINGS INCLUDING OUR BUILDING.

I AM NOT SURE HOW ANY TESTS OR ANY STATEMENT OF ENVIRONMENTAL EFFECTS CAN BE ON EXHIBITION AS THERE ARE RESIDENTIAL UNITS ON THE PROPERTY THAT WOULD NEED TO BE DEMOLISHED.

AS I DO NOT HAVE A COMPUTER TO VIEW THE PROPOSED DA. I CANNOT VIEW ANY FURTHER INFORMATION.
