WASTE MANAGEMENT PLAN FOR BANKSTOWN, BASS HILL & REVESBY WARDS

Demolition, construction and ongoing management

The applicable sections of this Plan must be completed and submitted with your Development Application. Completing this Plan will assist you in identifying the type of waste that will be generated and in advising Council how you intend to reuse, recycle or dispose of the waste. The information provided will be assessed against the objectives of the DCP. If you require assistance completing your Waste Management Plan, please contact Council's Resource Recovery Team — Bankstown Branch on 9707 9000.

If there is insufficient space, please provide attachments.
