***ACTIVITIES***

Cutting and fabrication of kitchen benchtops made of natural stone (which comprises 90% of the business) and engineered stone (10% of the business).

### ***STAFFING and CLIENTS***

There will be 4 full-time staff members to oversee the day to day operations.

All engagement with clients are done off-site. No customers or clients visit the premises.

### ***OPERATING HOURS***

The projected hours of operation are as follows:

- Monday to Friday – 7:00am to 5:00pm

Premises may also open outside of the above indicated times for administrative and other tasks.

### ***PARKING***

The subject site has two (2) parking spaces available.

### ***EQUIPMENT***

The following are the equipment used for cutting stones:

- 1 x bridge saw
- 1 x waterjet cutter
- 1 x stone profiling cutting machine
- 1 x mitre saw

All the above are wet-cutting machines that use recycled water.

Other equipment used:

- 1 x polisher – air-driven

### ***WASTE MANAGEMENT***

The subject site has a skip bin for waste storage within its premises. Waste collection is through a private waste contractor who collects once every fortnight, on average. Majority of waste is composed of natural stone or engineered stone.
