Dear Anthony

Subject: Request for Additional Information. DA 23/2906

I refer to your letter dated May 29, 2023, in relation to DA 23/2906. Appendix A of your letter requests information be provided by the Applicant:

Request: "confirm the height of the existing mesh safety screen and identify this height on the architectural plans"

Attached please find a revised architectural plan which details the height of the existing mesh screen.

Request: Submit the executed Public Benefit Offer for the proposed sign"

The Applicant has lodged on the portal (in confidence) a copy of the Public Benefit Offer letter prepared by TfNSW dated May 9, 2023, and sent to the DPE, attention Mr Muick Cassel.

Yours sincerely

Ian D. Riley
