Re: Landowner's Consent – Pedestrian Bridge over Old Windsor Road      12 September 2024  
near Norbrik Dr, Bella Vista – Existing Digital Advertising Signage  
(PAN-316562)

Dear Michael Watt,

Old Windsor Road is a state road and Transport for NSW (TfNSW) acts as the road authority for state roads. The pedestrian bridge over Old Windsor Road near Norbrik Drive is located within the TfNSW road corridor.

TfNSW, as the custodian of the land where the pedestrian bridge spans Old Windsor Road at Bella Vista, gives consent for ongoing operation and maintenance of the structure and use of the land.

TfNSW has no objection to the application (PAN-316562) that was made by Mulpha Australia Limited, which requested a further 15 years of operation.

Sincerely,

A handwritten signature in black ink, appearing to read "M Killeen".
