

469-483 BALMAIN ROAD, LILYFIELD

REVISION 4 CHANGE REGISTER:

03.05.2024

Change ID	Change:	Description
23	Deep Soil	Deep Soil Areas have been modified to provide a minimum of 6m wide deep soil zone where possible with reduced structures within those zones.
24	Coloured and New Sections	Coloured sections provide further clarity around materiality and appearance within the development. Additional sections show the facades along Fred Lane extension.
25	Updated Notation	Notes on drawings updated or added.
26	Lowered Courtyard Screen	Alberto Lane privacy screen to buildings D, E and F has been lowered to improve the amenity of residents. New material added.
27	Stage 2 GFA Floor Space	GFA areas are updated to reflect the proposed staging
28	Detailed Solar Access	Detailed solar access analysis of private open spaces on Level 1 of buildings D, E and F.
