REGISTERED SURVEYORS

V.J. Mansell Reg. No. SU 001566

NOTE: No underground services search has been carried out. You are advised to "Dial 1100 Before You Dig" before carrying out any building work.

Boundaries have not been surveyed.
Dimensions and areas compiled from
information obtained from the L.T.O.
Improvements shown are diagrammatic
only and shown for plotting purposes only

Contours if shown are approximate and preference should be given to spot levels. No services search has been made and only those visible at time of survey have been located. Levels under buildings unknown. Adjoining building details shown are approx. only due to restricted access.
