On 6 December 2023 the delegate of the Minister for Planning granted consent for the development application DA 23/12108 (PAN-365816) for works including: vegetation clearing; removal of existing snowmaking infrastructure; installation of snowmaking infrastructure including electricity and dialogue services and trenching and excavation works rehabilitation works in accordance with Part 4 of the *Environmental Planning and Assessment Act 1979* (the Act).

The development consent is subject to conditions, which are available on the NSW Planning Portal. The reasons for approval and conditions are provided in the assessment report and the Notice of Decision. These documents, including any endorsed plans can be found on the NSW Planning Portal at:

<https://pp.planningportal.nsw.gov.au/development-assessment/state-significant-applications/projects/state-development-applications>

The consent has effect on and from 6 December 2023.

The consent lapses on 6 December 2028 unless the development has physically commenced before that date (in the case of development consent for the erection of a building, subdivision of land or the carrying out of a work) or if the use of land, building or work has actually commenced before that date.

Reviews/Appeals

Certain appeal and review rights are available to applicants and objectors following determination of a development application.

The applicant has a right to request a review of the determination under section 8.3 of the Act.

If the applicant is dissatisfied with the determination of the application, the applicant has the right, under section 8.7 of the Act, to appeal to the Land and Environment Court within 12 months of the date the determination was notified or registered on the NSW planning portal.
