

**KEY**

- INDICATIVE ELECTRICAL SUB-STATION SITE(S) SUBJECT TO DETAILED DESIGN WITH ESSENTIAL ENERGY AFTER ISSUE OF SUB-DIVISION CERTIFICATE
- PROPOSED PEDESTRIAN PATH
- LOT BOUNDARY

The map shows a golf course with various features and boundaries. A red line indicates the lot boundary, enclosing a large area labeled '1' and '2'. A blue hatched area indicates the proposed pedestrian path, running diagonally across the top of the map. A red hatched area indicates the indicative electrical sub-station site, located near the center of the map. The map also shows a green area labeled '19' and a blue area labeled '2ND TEE BOX'. Contour lines are visible throughout the map, indicating elevation changes. A dashed green line runs along the bottom of the map. A small stream or path is visible on the right side of the map. The map is overlaid with a grid of black lines, likely representing the underlying land parcels or survey data.
