Demolition Code

Complying development under the Demolition Code **MAY** be carried out on the land.

Fire Safety Code

Complying development under the Fire Safety Code **MAY** be carried out on the land.

A copy of the Codes SEPP is available at www.planning.nsw.gov.au. For further information please call the Department of Planning and Environment Centre on Free call 1300 305 695.

Note: To be complying development, the development must meet the General requirements set out in clause 1.18 of the Codes SEPP. Development must also meet all development standards set out in the relevant code.

Note: This information needs to be read in conjunction with the whole of the State Environment Planning Policy. If an identification, restriction or characteristic of land referred to above is not located on or does not comprise, the whole of the relevant land, complying development may be carried out on any part of the land not so identified, restricted or characterised.

Note: Information regarding whether the property is affected by flood related development controls or is bushfire prone land is identified in other sections of this certificate. If your property is identified as being impacted by bushfire or flooding, a specific technical assessment of these issues will be required as part of any Complying Development Certificate application under the State Environment Planning Policy, or a development application for any other type of development requiring consent from Council.

Note: Despite any references above advising that Complying Development may be undertaken on the land, certain Complying Development may be precluded from occurring on the land due to requirements contained in the remainder of State Environment Planning Policy (Exempt and Complying Development Codes) 2008. It is necessary to review the State Environment Planning Policy in detail to ensure that specific types of complying development may be undertaken on the land.

5 Exempt Development

(1) If the land is land on which exempt development may be carried out under each of the exempt development codes under State Environmental Planning Policy (Exempt and Complying Development Codes) 2008, because of that Policy, clause 1.16(1)(b1)–(d) or 1.16A.

(2) If exempt development may not be carried out on the land because of 1 of those clauses, the reasons why it may not be carried out under the clause.

(3) If the council does not have sufficient information to ascertain the extent to which exempt development may or may not be carried out on the land, a statement that—

(a) a restriction applies to the land, but it may not apply to all of the land, and

(b) the council does not have sufficient information to ascertain the extent to which exempt development may or may not be carried out on the land.

Repealed

Note: Despite any references above advising that Exempt Development may be undertaken on the land, certain Exempt Development may be precluded from occurring on the land due to requirements contained in the remainder of State Environmental Planning Policy (Exempt and Complying Development Codes) 2008. It is necessary to review the State Environmental Planning Policy in detail to ensure that specific types of exempt development may be undertaken on the land.

Note: Under the State Environmental Planning Policy (Exempt and Complying Development Codes) 2008, demolition of a heritage item, draft heritage item, in a heritage conservation area, or a draft conservation area is not permitted.

Note: In heritage conservation areas and draft heritage conservation areas, some exempt development types may be restricted to the rear yard only.

6 Affected building notices and building product rectification orders

- (1) *Whether the council is aware that—*
- (a) *an affected building notice is in force in relation to the land, or*
 - (b) *a building product rectification order is in force in relation to the land that has not been fully complied with, or*
 - (c) *a notice of intention to make a building product rectification order given in relation to the land is outstanding.*

(2) *In this section—*

affected building notice has the same meaning as in the Building Products (Safety) Act 2017, Part 4.
building product rectification order has the same meaning as in the Building Products (Safety) Act 2017.

The land IS NOT affected by any notice or order within the meaning of the Building Products (Safety) Act 2017.

7 Land reserved for acquisition

Whether an environmental planning instrument or proposed environmental planning instrument referred to in section 1 makes provision in relation to the acquisition of the land by an authority of the State, as referred to in the Act, section 3.15.

State Environmental Planning Policies

Council is unable to provide any site-specific information on the provisions of any State Environmental Planning Policy regarding the acquisition of land. Information on State Environmental Planning Policies listed in this certificate is available at NSW Legislation – In force legislation. Any enquiries regarding State and Regional Environmental Planning Policies should be directed to the Department of Planning and Environment's website.

Draft State Environmental Planning Policies

Council is unable to provide site-specific information on the provisions of any draft State Environmental Planning Policy regarding the acquisition of land. Information on the draft State Environmental Planning Policies listed in this certificate is available on the Department of Planning and Environment Have Your Say webpage for Draft plans and policies. Any enquiries regarding State and Regional Environmental Planning Policies should be directed to the Department of Planning and Environment's website.

Local Environmental Plan

The land IS NOT affected by any environmental planning instrument or proposed environmental planning instrument referred to in section 1 that makes provision in relation to the acquisition of the land by an authority of the State, as referred to in the Act, section 3.15.

Whether the land is affected by road widening or road realignment under—

- (a) *the Roads Act 1993, Part 3, Division 2, or*

The land IS NOT affected by any road widening or road realignment under the Roads Act 1993, Part 3, Division 2.

- (b) *an environmental planning instrument, or*

The land IS NOT affected by any road widening or road realignment under the provisions of Randwick LEP 2012.

- (c) *a resolution of the Council.*

The land IS NOT affected by any resolution of the Council for any road widening or road realignment.

Note: This item relates to Council's road proposals only. Other authorities, including Transport for NSW may have road widening proposals.

9 Flood related development controls

(1) *If the land or part of the land is within the flood planning area and subject to flood related development controls.*

Yes.

(2) *If the land or part of the land is between the flood planning area and the probable maximum flood and subject to flood related development controls.*

Yes.

(3) *In this section—*

flood planning area has the same meaning as in the Floodplain Development Manual.

Floodplain Development Manual means the Floodplain Development Manual (ISBN 0 7347 5476 0) published by the NSW Government in April 2005.

probable maximum flood has the same meaning as in the Floodplain Development Manual.

Note: The information provided in Item 9 is based on the data and information presently available to the Council and on development controls in force as at the date of this certificate. The identification of land as not being subject to flood related development controls does not mean that the land is not, or may not be, subject to flooding or that the land will not in the future be subject to flood related development controls, as additional data and information regarding the land become available.

Details relating to flood risk and flood planning levels may be provided on a Flood Level Certificate. The application form is available on Council's website.

10 Council and other public authority policies on hazard risk restrictions

(1) *Whether any of the land is affected by an adopted policy that restricts the development of the land because of the likelihood of land slip, bush fire, tidal inundation, subsidence, acid sulphate soils, contamination, aircraft noise, salinity, coastal hazards, sea level rise or another risk, other than flooding.*

Council HAS NOT adopted a policy or been notified of any adopted policy of another public authority, that restricts development on the land because of the likelihood of land slip, bush fire, tidal inundation, subsidence; salinity, coastal hazards, or sea level rise.

Council DOES HAVE adopted policies or has been notified of adopted policies of another public authority on matters relating to the risk of acid sulphate soils; contamination; low-lying lands; aircraft noise; Malabar Treatment Plant odour; and Former Matraville Incinerator land.

(2) *In this section—*

adopted policy means a policy adopted—

(a) *by the Council, or*

Excluding Councils Contaminated Land Policy, the subject land IS NOT affected by any other council policy relating to hazard risk restrictions.

(b) *by another public authority, if the public authority has notified the Council that the policy will be included in a planning certificate issued by the Council.*

The land **IS** affected by a policy adopted by a public authority as follows:

Acid Sulphate Soils Manual, which forms part of an 'all of government' approach to the management of acid sulphate soils in NSW. The manual provides information on the formation of acid sulphate soil, the likely effects if it is to be disturbed and best practice in the assessment and management of works undertaken in acid sulphate area. Acid Sulphate Soils Planning Maps have been prepared by the Department of Land and Water Conservation, and apply to Randwick City. The Manual and Maps are available to view at Council.

For more information please see

www.randwick.nsw.gov.au/149-AcidSulfate

The land IS NOT land to which a development plan or subdivision order applies.

15 Property vegetation plans

If the land is land in relation to which a property vegetation plan is approved and in force under the Native Vegetation Act 2003, Part 4, a statement to that effect, but only if the council has been notified of the existence of the plan by the person or body that approved the plan under that Act.

Council HAS NOT been notified of any property vegetation plan under the Native Vegetation Act 2003, Part 4 applying to the land.

16 Biodiversity stewardship sites

If the land is a biodiversity stewardship site under a biodiversity stewardship agreement under the Biodiversity Conservation Act 2016, Part 5, a statement to that effect, but only if the council has been notified of the existence of the agreement by the Biodiversity Conservation Trust.

Council HAS NOT been notified that the land is a biodiversity stewardship site by the Biodiversity Conservation Trust.

Note: Biodiversity stewardship agreements include biobanking agreements under the Threatened Species Conservation Act 1995, Part 7A that are taken to be biodiversity stewardship agreements under the Biodiversity Conservation Act 2016, Part 5.

17 Biodiversity certified land

If the land is biodiversity certified land under the Biodiversity Conservation Act 2016, Part 8, a statement to that effect.

The land IS NOT biodiversity certified land.

Note: Biodiversity certified land includes land certified under the Threatened Species Conservation Act 1995, Part 7AA that is taken to be certified under the Biodiversity Conservation Act 2016, Part 8.

18 Orders under Trees (Disputes Between Neighbours) Act 2006

Whether an order has been made under Trees (Disputes Between Neighbours) Act 2006 to carry out work in relation to a tree on the land, but only if the council has been notified of the order.

The land IS NOT land to which an order under Trees (Disputes Between Neighbours) Act 2006 applies.

19 Annual charges under Local Government Act 1993 for coastal protection services that relate to existing coastal protection works

- (1) *If the Coastal Management Act 2016 applies to the council, whether the owner, or a previous owner, of the land has given written consent to the land being subject to annual charges under the Local Government Act 1993, section 496B, for coastal protection services that relate to existing coastal protection works.*
- (2) *In this section—
existing coastal protection works has the same meaning as in the Local Government Act 1993, section 553B.*

Note: Existing coastal protection works are works to reduce the impact of coastal hazards on land, such as seawalls, revetments, groynes and beach nourishment, that existed before 1 January 2011.

Not applicable.

20 State Environmental Planning Policy (Western Sydney Aerotropolis) 2020

Whether under State Environmental Planning Policy (Western Sydney Aerotropolis) 2020 the land is—

(a) in an ANEF or ANEC contour of 20 or greater, as referred to in that Policy, clause 19, or

- (b) shown on the Lighting Intensity and Wind Shear Map, or
- (c) shown on the Obstacle Limitation Surface Map, or
- (d) in the "public safety area" on the Public Safety Area Map, or
- (e) in the "3 kilometre wildlife buffer zone" or the "13 kilometre wildlife buffer zone" on the Wildlife Buffer Zone Map.

Not applicable.

21 Site compatibility certificates and conditions for seniors housing

If State Environmental Planning Policy (Housing) 2021, Chapter 3, Part 5 applies to the land, any conditions of a development consent granted after 11 October 2007 in relation to the land that are of the kind set out in that Policy, clause 88(2).

The land IS NOT subject of a current site compatibility certificate (of which the Council is aware) that has been issued under Chapter 3, Part 5 of the Housing SEPP 2021.

22 Site compatibility certificates and development consent conditions for affordable rental housing

- (1) *Whether there is a current site compatibility certificate under State Environmental Planning Policy (Housing) 2021, or a former site compatibility certificate, of which the council is aware, in relation to proposed development on the land and, if there is a certificate—*
 - (a) *the period for which the certificate is current, and*
 - (b) *that a copy may be obtained from the Department.*
- (2) *If State Environmental Planning Policy (Housing) 2021, Chapter 2, Part 2, Division 1 or 5 applies to the land, any conditions of a development consent in relation to the land that are of a kind referred to in that Policy, clause 21(1) or 40(1).*
- (3) *Any conditions of a development consent in relation to land that are of a kind referred to in State Environmental Planning Policy (Affordable Rental Housing) 2009, clause 17(1) or 38(1).*
- (4) *In this section— former site compatibility certificate means a site compatibility certificate issued under State Environmental Planning Policy (Affordable Rental Housing) 2009.*

The land IS NOT subject to a current or former site compatibility certificate (of which the council is aware) for affordable rental housing.

Contaminated Land Management Act 1997

Note. The following matters are prescribed by section 59 (2) of the [Contaminated Land Management Act 1997](#) as additional matters to be specified in a planning certificate:

(a) that the land to which the certificate relates is significantly contaminated land within the meaning of that Act—if the land (or part of the land) is significantly contaminated land at the date when the certificate is issued,

The land IS NOT significantly contaminated land within the meaning of the Contaminated Land Management Act 1997.

(b) that the land to which the certificate relates is subject to a management order within the meaning of that Act—if it is subject to such an order at the date when the certificate is issued,

The land IS NOT subject to a management order within the meaning of the Contaminated Land Management Act 1997.

(c) that the land to which the certificate relates is the subject of an approved voluntary management proposal within the meaning of that Act—if it is the subject of such an approved proposal at the date when the certificate is issued,

The land IS NOT the subject of an approved voluntary management proposal within the meaning of the Contaminated Land Management Act 1997.

(d) that the land to which the certificate relates is subject to an ongoing maintenance order within the meaning of that Act—if it is subject to such an order at the date when the certificate is issued,

The land IS NOT the subject to an ongoing maintenance order within the meaning of the Contaminated Land Management Act 1997.

(e) that the land to which the certificate relates is the subject of a site audit statement within the meaning of that Act—if a copy of such a statement has been provided at any time to the local authority issuing the certificate,

Council **HAS** received a copy of a site audit statement, within the meaning of the Contaminated Land Management Act 1997, for this land.

Note. Section 53B requires site auditors to furnish local authorities with copies of site audit statements relating to site audits for the purposes of statutory requirements.

INFORMATION PROVIDED UNDER SECTION 10.7(5)

NOTE:

Council has no obligation to provide any advice in this planning certificate in response to a request made under s.10.7 (5) of the Act.

If Council does include advice in this planning certificate in response to a s.10.7 (5) request then, as far as practicable on the information available to Council, the advice shall be current as at 12:noon two(2) working days prior to the date of issue of this planning certificate.

Council draws your attention to the fact that if there is an omission or absence of reference in any advice given in this planning certificate, that is or may be relevant to the subject land, that shall not imply that the land is not affected by any matter not mentioned or referred to in this planning certificate.
