To Whom It May Concern

Re: Extension at 6 Gould Street, Campsie, NSW 2194

We, DE Engineering Solutions, the practicing Civil Engineer hereby advise that we certify that the proposed Stormwater drainage system for proposed extension in attached drawings **GN01** and **CE001-CE003** have been designed in accordance with the following:

- AS 3500.3-2018 Plumbing and drainage

We also advise to our client that period inspections during construction stage will ensure the work complied with the intent of our design and relevant documents.

Your faithfully,

Rong XU

M.Eng, FIEAust (No. 1380455), CPEng, NER,
