**Re: Existing advertising signs attached to the TfNSW pedestrian bridge
at Parramatta Road Auburn**

26 October 2023

Dear Sir,

**Development application for existing advertising signs at Pedestrian bridge Parramatta Road
Auburn**

I am writing to advise that Transport for New South Wales (TfNSW) will be submitting a Development Application to the Department of Planning Industry & Environment for the continued use of the existing advertising signs attached to the TfNSW pedestrian bridge at Parramatta Road Auburn.

Under clause 23(3a) of the Environmental Planning and Assessment Regulation 2021, consent in writing from the owner of the land for a development application made by a public authority is not required if written notice to the subject owner(s) is given prior to lodging the application. This letter constitutes that notice.

This location is supported by TfNSW as it is strategically important for the delivery of road safety messages in key periods.

For further information please contact Ana-Marie Pose on 02 8843-3190.

Sincerely,

Greg Attewell
Senior Manager Advertising & Revenue
