Attn: Odette Ferreira

Dear Odette,

**Re: PRINCES HIGHWAY, HEATHCOTE, NSW - EXISTING
ADVERTISING SIGNS - STRUCTURAL ASSESSMENT
Structural Consulting Engineering Services**

This letter has been commissioned by oOh! Media for JMP to assess the compliance of the existing sign steel structure at the above location.

We write, being chartered professional engineers, and suitably qualified to certify that:

- The design described in the documents below is in accordance with the relevant structural requirements of the Building Code of Australia (BCA 2022 Volume 1), provisions of the National Construction Code (NCC) and the following Australian Standards:

- BCA 2022 Volume 1
- AS1170 Series Structural Design Actions
- AS4100:2020 Steel Structures
