Upload this email as a PDF as confirmation you do not require the checklist and Performance Criteria.

Not environmentally sensitive and no to staged 😊

Subject: RE: Development Application (PAN-411938): Application has been returned

I have a few questions already sorry!

- Can you provide me with a APC checklist? Or where would I find that?
- What does the performance criteria compliance statement have to detail?
- Is the land an environmentally sensitive area?
- Do I mark it as a staged development ?

Thanks

Kind Regards

Allana Duncan
