

Architectural section drawing of a single-storey residence on posts. The drawing shows a cross-section of the building with various materials and structural elements labeled. Key features include a gabled roof with a 12.50° pitch, Colorbond Custom Orb® cladding, NRG 75 Greenboard™ on timber stud walls, and a hardwood post & beam structure. The building is elevated on a sloped site, with an entry level indicated. Dimensions are provided for various heights and widths. The drawing also shows a frameless glass balustrade, a timber deck structure, and face brickwork. A large section of the drawing is obscured by a diagonal line and text indicating "SINGLE STOREY CLAD RESIDENCE ON POSTS COLORBOND METAL ROOF".

ALL RL's TO AHD

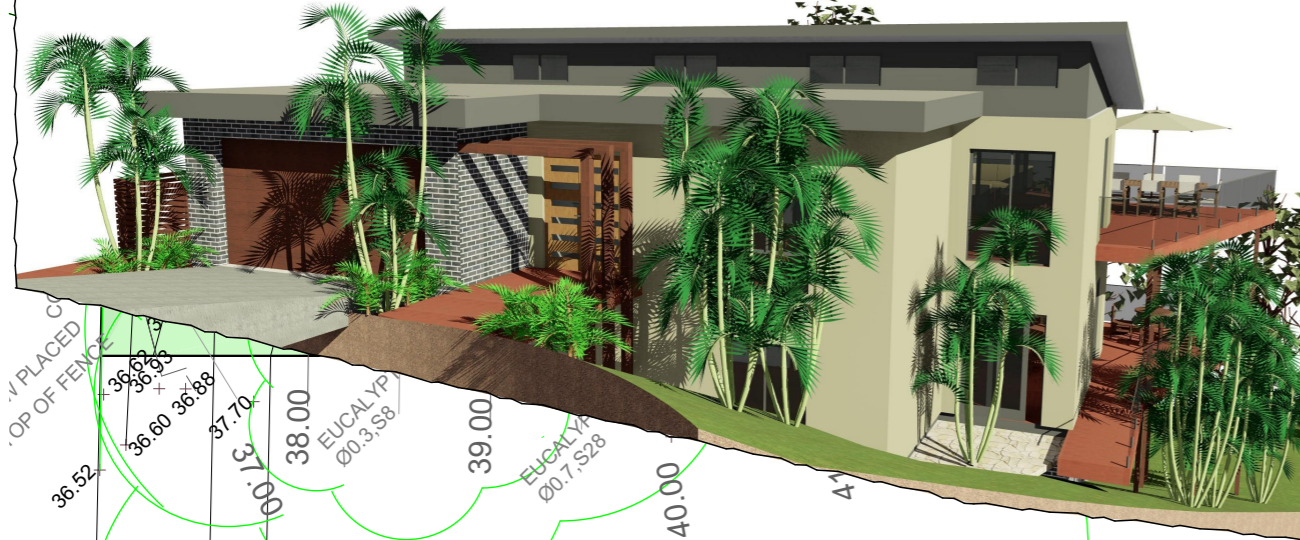

Check all dimensions on site. Report any discrepancies to the designer for clarification before commencing work. Do not scale the drawings. Use figured dimensions only. Drawings shall not be used for construction purposes until status shows FOR CONSTRUCTION.

All works are to comply with the National Construction Code Series - Building Code of Australia (NCCS - BCA) and Australian Standards; in accordance with councils (or certifying authority) development/construction consent. This drawing is copyright and remains the property of JAL ARCHITECTURAL and must not be used, copied or reproduced in whole or part except by agreement.
