Dear Mark,

Please be advised Kosciuszko Thredbo (KT) supports the MOD to Attunga to enable the approved works to be staged.

The modification does not change the nature, architecture or room configuration of the approved project and is merely a request to stage those works appropriately. KT's original consent (as attached) remains.

Kind regards

Hi Andrew, could you please confirm/ provide to Mark Brown - KT consent as requested?

Pls cc me - as DPHI may require us to upload onto the planning portal

Many thanks, Vince
