EP&A REGULATION 2021 COMPLIANCE TABLE

A Development Application (DA) under Part 4 of the *Environmental Planning and Assessment Act 1979* (EP&A Act) is required under Section 4.12 (1) to meet the provisions of the *Environmental Planning and Assessment Regulation 2021* (EP&A Regulation) (EP&A Regulation) as detailed under Part 3, Division 1. **TABLE 1** below provides consideration of compliance against the relevant Section.

Further to Part 3 of the EP&A Regulation, a DA must contain the following information (as per Department of Planning, Infrastructure and Environment (DPIE) requirements dated March 2022):

- a) the name and address of the applicant
- b) a description of the development to be carried out
- c) the address, and formal particulars of title, of the land on which the development is to be carried out
- d) an indication as to whether the land is, or is part of, critical habitat
- e) an indication as to whether the development is likely to significantly affect threatened species, populations or ecological communities, or their habitats, unless the development is taken to be development that is not likely to have such an effect because it is biodiversity compliant development
- f) the estimated cost of the development
- g) evidence that the owner of the land on which the development is to be carried out consents to the application, but only if the application is made by a person other than the owner and the owner's consent is required by the Regulation
- h) a list of the documents accompanying the application
- i) a Statement of Environmental Effects, unless identified as designated development which requires an Environmental Impact Statement.
- j) a site plan of the land.
- k) drawings of the development.

The above listed information has been provided to the consent authority through the approved form on the NSW Planning Portal.
