DESIGN VERIFICATION STATEMENT

Project Name: **8 Robertson Road, Chester Hill, NSW 2162**

Proposal: **Demolition of existing structures, relocation of sewer and construction of a 2-storey centre-based childcare facility for 70 children over a basement**

This letter is to confirm that the design carried out to the above mentioned project have been designed and undertaken by Campbell Hill Group, under my direction. Through the evaluation of this project, it is considered that the design objectives set out in the Statement of Environmental Policy (Educational Establishment and Childcare Facilities) 2007, have been considered in the design and are adequately met.

This certificate also verifies that the proposal does not diminish or detract from the design quality, nor compromise the design intent of the development.

Yours Sincerely,

Matthew Mina | Design Coordinator @ **Campbell Hill Group**
