Re: 93 Lakemba Street, Belmore – Identification Survey

In accordance with your instructions, I have conducted a survey of part of the abovementioned property. This report and associated sketch are for final identification purposes only and must not be used for any other purpose, including any set-out of further improvements. The survey was completed on 5 June 2024.

I have surveyed part of the land comprised in the Certificate of Title Folio Identifier E/2/13891 being Lot E Section 2 in Deposited Plan 13891 located at Belmore, in the Local Government Area of Canterbury-Bankstown.

Upon the land, in the position shown on the attached sketch, stands an existing single storey house with tile roof and metal shed to the rear of the property.

The position of recent improvements has been surveyed and their location relative to the boundaries is shown on the sketch.

All levels shown on the sketch are related to Australian Height Datum (AHD) and were observed during the field survey.

This report must be read in conjunction with associated sketch and was prepared for exclusive use of The Owner and their assigns. No Liability for any potential loss, howsoever arising, can be accepted from any third party seeking to rely upon the information contained herein. Any existing encumbrances on the subject property do not form part of the scope of this survey and any associated documentation

Yours faithfully

A handwritten signature in black ink, appearing to read "Ziemowit Wierzchowski", is written above the printed name.
