

Structural adequacy statement

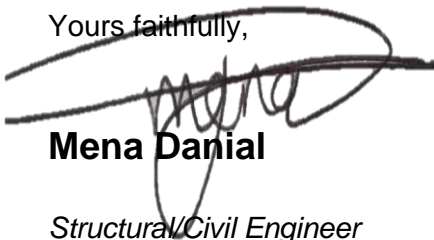

31st October 2024

Location: 42-44 Norfolk Road, Greenacre NSW 2190
Job number: PCE24125
Elements: - Existing structure

We certify that the inspection was carried out to the above address and found that the existing structure is adequate for proposed alteration & addition as per architectural plans provided by waratah group Revision A dated 13/03/2023.

We certify that the computations for checking the structural elements and inspection have been carried out by practicing and qualified structural engineers from our office.

Yours faithfully,

Mena Danial
