#### NOTES - GENERAL

- This plan may be colour coded and black & white copies may not fully disclose the information hereon.
- This plan has been prepared for the exclusive use of the client named hereon. No responsibility is taken for any loss incurred by any third party resulting from unauthorised use of the plan.

#### NOTES - BOUNDARY

- Boundary distances are by Title and/or Deed only.
- No boundary investigation has been carried out in the determination of the shown boundary dimensions.
- Do not scale off this plan. Relationship of improvements to boundaries is diagrammatic only. Where offsets are critical they should be confirmed by further boundary survey.

#### NOTES - TOPOGRAPHICAL

- Service lines and service structures have only been located and shown hereon where they were visible at the time of survey. Contact "Before You Dig" at www.bdyd.com.au prior to any excavation or earthworks.
- The accuracy of this data may not be suitable for building construction and therefore survey marks should be placed prior to any construction commencing.
- Contours shown hereon depict topography rather than represent the exact level at any particular point. Care should be taken if extrapolating levels or contours.
- Tree spread diameters shown are diagrammatic only & may not be symmetrical. Tree heights are estimated. If any of these elements are critical to design, a further survey should be requested for accurate location.
